

Health Care

Job Summary:

Provide advanced life support (ALS) 911 and interfacility response as a part of an effective pre-hospital team. Assess illnesses and injuries and either provide oversight for or administer directly both basic and advanced life support care on incident scenes. Prepare patients for transport and provide continued patient care as needed during transport to a health care facility. Operate emergency vehicles and equipment safely and effectively. Complete patient records in a timely manner and transfer patient information to other healthcare providers.

Open Positions:

- Full-time/Part-time EMT
- Full-time/Part-time Paramedic

Shifts:

A mixture of 12 and 24 hour shifts at bases located throughout Boone County, MO. Staff members are also eligible to work all MU Athletic events.

Qualifications:

- High School diploma or an equivalent.
- Valid Missouri Class E Driver's License (i.e. chauffeurs) or higher is required. An equivalent license from another state will substitute for the Missouri License.
- Must be licensed within the state of Missouri as an Emergency Medical Technician.
- Paramedic – require current ACLS, PALS, and CPR certifications.
- EMT – require current CPR certification.
